PERSONAL PROJECTS

- **DSC Information Website**
Tools & Technologies Used: HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB [[LINK](#)]
Developed a DSC (Developer Student Club) information website to showcase events, resources, and projects. Implemented event listings, announcements, and user-friendly navigation. Built with scalability, responsiveness, and efficient data management in mind.
- **Quiz App for Blind Users**
Tools & Technologies Used: HTML, JavaScript, Node.js, Express.js
Developed an accessible quiz application with TalkBack functionality, enabling visually impaired users to participate using voice commands. Integrated text-to-speech (TTS) and speech recognition for an intuitive user experience.
- **Movie Review App**
Tools & Technologies Used: HTML, CSS, JavaScript, Node.js, Express.js, MongoDB
Developed a movie review platform where users can review, rate, and comment on movies. Admins can add and manage movie details with authentication and role-based access control. Ensured a responsive UI and secure data handling using React.js and MongoDB.

SKILLS AND INTERESTS

Programming Languages: HTML, CSS, JavaScript, Java, C++
Frontend Technologies: React.js, Bootstrap, TailwindCSS
Backend Technologies: Node.js, Express.js, JWT, REST APIs
Databases: MySQL, MongoDB
Developer Tools: Figma, GitHub, VS Code, Postman, Sass

POSITIONS OF RESPONSIBILITY

- **Head of Full-Stack Development - DSC**
 - Led the development of the DSC website and Community Partner website using React.js, Node.js, and MongoDB. Managed a team, implemented authentication, event listings, and resources. Focused on scalability, user experience, and mentoring junior developers.
- **Organizing Head - Hackathon**
 - Led a team as the head organizer of a college hackathon, overseeing all aspects of event planning and execution. Coordinated with sponsors, recruited participants, and managed logistics to ensure a successful event.

STRENGTH

- **Leadership:** Experience in leading teams, coordinating projects, and making strategic decisions under pressure.
- **Teamwork:** Strong collaboration skills, leveraging individual strengths to achieve goals under pressure.
- **Fast Learner:** Eager to learn new skills, quickly grasp concepts, and adapt to dynamic environments.
